Established in the year 2015, Vamika Traders is a reliable provider of a variety of Agro Products, spices, stationery items, etc. Our company based in Kolkata, West Bengal. A huge assortment is developed in our company. We make available our products to buyers at their doorsteps in far away regions of India. Our mentor, Pratima Gupta, has guided us to be able to reach such heights. Under his guidance and deep knowledge, we have attained a prominent position in this realm. We stringently check the whole product array on various quality checking parameters to ensure their premium quality, before the end dispatch. Our items are highly appreciated and acclaimed in the market for their features. We have made a highly sophisticated manufacturing base. Our dedicated team provides a collection of products to meet the requirements of customers. We have a hard-working team of experts that work delicately to increase the quality of the items. Also, we ensure that the customers will be satisfied with the quality and timely delivery of items. Our flawless products are due to be making use of excellent quality base material while making the whole product line.

Our organization is well equipped with several advanced manufacturing facilities that help us in processing these products in line with global standards. For streamlined business operations, we have divided our infrastructure into several specialized units like processing, quality control, and packaging. Our producing unit is installed with several machines. These machines assist us experts to process these products in an efficient manner.

Our products are processed using best grade ingredients in compliance with set market norms under healthy and hygienic environment. The products and extracts we used to process these spices are procured from our own farmhouses and other reputed vendors of the market. Further, we have the up-to-date in-house quality checking unit, where the quality and hygiene of these products are monitored on various predefined parameters to assure the utmost quality.
